## LIVING WATERS....

...is a ministry dedicated to minister healing and hope to those who are broken and broken-hearted.

Founded in 1980, it currently operates in more than 20 countries in the world. It seeks to empower the church to impact our confused societies with the practical gospel of Jesus who came to the world as the one true witness of God "...full of grace and truth." (John 1:14)

## Mission

As a Christ-centered ministry, we follow the biblical foundation of helping people with compassion, integrity and dependence on Him. In all we do, we share Jesus – the one who is full of grace and truth (John 1:14).

## Ministry

Today's culture breeds confusion. Movies, advertising, television and politics spread mixed messages about what is right and true, who we are, and how we relate to each other as sexual and relational people.

Christians are not immune from these frustrating ideas. We need to resolve our identity – as it affects our gender and relationships – through Jesus. As we seek Him in our healing journey, we are *released* from our wounds, brokenness and behaviours, so we can be freed to love and trust God, others and ourselves more fully. This is Jesus desire. "I have come that [you] may have life, and have it to the full" (John 10:10).

## CONFERENCE

Presented by  
**Living Waters South Africa**  
in association with  
**Valley Vineyard**  
**Christian Fellowship**

**9 to 10 May 2008**

# ABOUT THE CONFERENCE

Imagine for a moment.

What would life look like if you lived the way God desires? If hurt and pain were lifted from you? If you sought forgiveness, and experienced grace? If you found out who you truly are? Imagine what life would look like. More fulfilling and free. More meaningful and real.

## Hope

Have you been looking for a place where you can be honest and true? A place where you can acknowledge your broken state, and yet find help to be whole in Jesus?

This Living Waters Conference is such a place. If you struggle with receiving love, emotional dependency, fear of people, low self-image, gender confusion, sexual fantasy, past abuse, same-sex attraction or addictive behaviour, Living Waters offers space for you to be restored through Jesus' healing work, and to know the depth of His love and grace.

## ABOUT THE SPEAKERS

Craig Groome is the coordinator for Living Waters in South Africa. Nick James and Charmaine Raftesath coordinate Living Waters groups. Nick is also responsible for Living Waters at Valley Vineyard. Charmaine is responsible to oversee the ministry of Living Waters in Gauteng.

## Book table

The full Living Waters Manual will be on sale at the conference for the price of R280.00 on a cash or cheque basis. No credit card facilities will be available.

## Conference and Full Programme Fees

There is a choice of two packages:
