

For over 25 years Living Waters has proclaimed a message of freedom from sexual and relational brokenness through Jesus Christ around the world! We strive to make known to pastors, counsellors, friends, family, and individuals struggling that freedom and healing exists in Christ.

Living Waters SA, along with Harvest Christian Church, presents a conference proclaiming freedom from the bondage of addiction to sex, food, substances, etc. Both keynote teachings as well as workshops will provide an indepth foundation for healing from addiction, and healing from the effects of another's addiction, as well as the deeper need for emotional and spiritual healing.

Join us this weekend as we tackle these difficult issues. We welcome all, both those looking for more information on how to help others as well as those who are struggling, to a non-threatening, non-exposing, place that will present freedom in Jesus and a challenge to take hold of that freedom.

CHRIST HAS SET
