

Nominations called for Fulton Awards 2009

The Concrete Society of Southern Africa (CSSA) is calling for nominations of projects for the prestigious Fulton Awards, presented by the Society every two years to honour *excellence* and *innovation* in construction utilizing concrete.

Awards will be made in the following 5 categories:

Civil Engineering Project
Building Project
Unique Design Aspects
Concrete in Architecture
Construction Techniques

Any project completed during 2007 or substantially completed during 2008 is eligible for entry, and projects may be entered in more than one category.

Closing date for nominations is 28 November 2008.

The Cement & Concrete Institute (C&CI) is confirmed as the anchor sponsor for the 2009 Fulton Awards.

Francois Bain, President of the Concrete Society of SA, says: "The 2009 Fulton Awards marks a very special occasion for the Society being the 30th year celebration of Fulton Awards!" The occasion will be celebrated over the weekend, from 19th to 21st June 2009, at the Champagne Sports Resort in the Drakensberg.

"Through the weekend format, the Society aims to provide increased exposure for all entrants and project submissions. Greater emphasis will be placed on *all entries for the 2009 Fulton Awards* with a special exhibition created for the nominated projects," Bain stated.

"The weekend format also enables the local construction industry to network in a more relaxed environment that stimulates discussion. The main awards evening – a black tie gala occasion – will take place on Saturday, 20 June 2009," he added.

For nomination forms and entry packs, contact The CSSA Administrator on Tel: 011-326 2485 or e-mail admin@concretesociety.co.za
