

**UNIVERSITY OF
KWAZULU-NATAL**

10 May 2010

Dear Sir/Madam

We are currently studying towards our honours degree in Quantity Surveying at the University of KwaZulu-Natal and are conducting research in the field of promotional barriers faced by women within the Construction Industry. Please will you take 15 minutes of your time to fill in the following questionnaire.

The aim of this research is to gain insight into whether females are being fairly promoted within the industry and what barriers to promotion they may face.

We will greatly appreciate your input and all answers will be kept strictly confidential and will be used for analysis purposes only.

If there are any queries please don't hesitate to contact us.

Regards,
