

SOUTHERN AFRICAN PLASTIC PIPE  
MANUFACTURERS ASSOCIATION (SAPPMA)

## INVITATION TO ATTEND CONFERENCE ENERGY EFFICIENT, ENVIRONMENTALLY FRIENDLY PLASTIC PIPING SYSTEMS - 17 SEPTEMBER 2010

SAPPMA is proud to announce that its 4th Plastic Piping Technical Conference will take place on Friday 17 September 2010.

The conference will inform on issues relevant to the industry from a local as well as global perspective, supported by a select group of top level local and international speakers. Topics will cover Polyolefin, Rigid PVC, GRP as well as plastic based hot and cold water Piping Systems.

SAPPMA is as committed as ever to its vision of creating absolute quality, trust & integrity throughout the value chain of the South African Plastics Pipe Industry. The SAPPMA initiative that is aimed at further expanding regulation of the Pipe Industry, IFPA (Installation and Fabrication Plastics Pipe Association), will also form an integral part of the 2010 conference.

Valuable CPD accreditation will be available for professional engineers via ECSA.
