## Rules

1. The competition is open to the general public to submit photographs.
2. The entries must portray people and/or projects in civil engineering.
3. Entries must be electronic photos in jpeg format, at a resolution of at least 640 by 480 pixels.
4. Entries will be judged on portrayal of civil engineering, artistry of civil engineering, technical excellence (quality of photo), visual impact, creativity & originality, balance & composition.
5. Please complete an entry form for each electronic entry and supply an appropriate title, short description of each project, details of the client, consultant and contractor involved in the project and the photographic equipment used to take the photograph/s. It is essential that the photographer's name is included.
6. The entrant is responsible for obtaining permission for the use of the photographic material as well as subject material from the authority or project manager concerned.
7. Entries submitted by organisations must be accompanied by written consent of the photographer.
8. Permission for the reproduction of photos for any exhibition or publicity is assumed unless the entrant specifies otherwise. Due recognition will be given to the photographer where required.
9. No responsibility will be accepted for any loss or damage to the e-mailed entries.
10. All entries must be e-mailed to [zina@saice.org.za](mailto:zina@saice.org.za)
11. Closing date: 31 May 2011

***Please complete the entry form/s and e-mail to [zina@saice.org.za](mailto:zina@saice.org.za) together with your electronic entry today!***
